A Rebel Silver Quarter.

We learned last night that a coin is that. And what queer talk they Davis," and was coined in 1862. A gentleman of undoubted veracity says that he saw this piece of money on the Alabama river, and as high as \$25 was bid for the same by the captain of the steamer, others being made from 85 upward, and higher prices would have been offered, but the owner of the "quarter" said he would not give it for the steamer and its contents. This, of course, stopped the bidding, more especially after the gentlemen said that the memento could not be purchased at any price. His object is to sell it for an immense amount, by some means unknown to anyone. That the confederacy ever coined money is something new to us, as the Says I, "Mr. Emerson, if you'll ex- government never had a mint, How this above mentioned came into existman said that he saw it and offered \$5 for it .- Columbus (Ga.)
